

December 2020

DC Ranch Community Council comments submitted to Scottsdale mayor and city council regarding the Bell Road Sports Complex:

*We support with stipulations. On behalf of the DC Ranch community-at-large, which consist of more than 7,000 Scottsdale residents, the DC Ranch Community Council submits the following comments on the Bell Road Sports Complex. We are appreciative of the design changes that have been incorporated into the project based on public feedback.*

*We ask for the following changes to be made prior to approval of the MUMSP: 1) Add gates to control after-hours access to the east parking lot – 2) Reduce the speed limit on 94th Street to 35 mph – 3) Install a crosswalk at 94th and Palo Brea so residents living east of 94th Street can safely access the Sports Complex – 4) Close the park at 10:00 p.m. or earlier.*

*In addition, the Community Council reiterates its strong opposition to the City placing any future fields on the east side of 94th Street. The City did not identify the east side location in the 2019 Bond Package. The change of location to a bond project after the vote is a breach of public trust by the City. Thank you.*
