

Melissa Lehman

Village: Country Club

Owner: 22 years

Prior Involvement in DC Ranch

I have been a member of the DC Ranch community for 23 years. We have raised our family here from using the community center, attending Copper Ridge School, and belong to the Country Club at DC Ranch. Our family is now grown, and I now have the time to give back to the community and would like to serve on the Board.

Biography:

I have been a stay-at-home mom. I currently serve on the board for Cortney's Place, a non-profit day program for adults with special needs.

My husband and I have been a part of this community from the beginning and are founding members of the Country Club at DC Ranch.

Statement of Purpose

If selected as a member of the board, I would like to simply observe what the community has currently going and what is coming up. We are very familiar with the various changes our community has gone thru since it began, and I would love to help with decisions going forward pertaining to our community. DC Ranch is a 20 plus year community and my hope and vision for the future is simply to keep the original western/desert feel of our community along with current changes that would apply to a modern up to date community and amenities. I currently serve on the board of a non-profit day program that serves adults with special needs, Cortney's Place, here in Scottsdale. I have also been on the house committee at the Country Club. I've been on Mother's Guild and parent/teacher Association both at Copper ridge School, Saint John School and Notre Dame High School.
