Events, Programs and Recreation

- *Social Hour.* The ever-popular program with residents maintained its attraction throughout the summer months. Both new and established residents enjoyed music, light bites and beverages. July hosted 35 residents and August hosted 45 residents.
- *DC Ranch Women's Club.* In July, 17 women escaped the heat and gathered for happy hour at Quill Creek Cafe where they snacked on appetizers and drinks while overlooking the beautiful putting green. In August, 11 women participated in a Qigong class where they explored body movement, breathwork, and meditation to improve their mental and physical wellbeing.
- *Fitness Classes.* All Levels Yoga, Yoga Basics, and both Strength & Balance classes saw 84 registrants for July and August with a total of 59 drop-ins throughout both months.
- *Bubbles and Boards.* In July, 14 residents learned the ins and outs of creating the perfect charcuterie board and sparkling wine pairing. Residents took their boards home to utilize their newly found skills to make their own creations.
- *Summer Saturday.* Over 50 residents gathered on The Homestead veranda to participate in a tie dye party on a Saturday in July. To cool off, residents enjoyed DIY ice cream sundaes.
- *Tropical Tuesday.* In July, 15 residents dropped-in to The Homestead to enjoy tropical themed snacks and activities. This program was created as an alternative summer program to give residents the opportunity to escape the heat during Desert Camp renovations.

Community Engagement

- *New Resident Welcome*. Neighborhood Voting Members and community volunteers continue to welcome new residents each month with welcome bags. The reusable grocery totes include new resident welcome information, City of Scottsdale collateral, new resident free fitness pass, RanchCache bags, Ready Set Go! Kits, and sunshades. New residents are emailed monthly an invitation to Social Hours- a few seats are saved at this popular evening just for new residents.
- *DC Ranch Ambassadors.* Ambassadors are utilized a few times each month to help promote activities and happenings within DC Ranch. Ambassadors have recently encouraged residents to inquire about committee opportunities, attend Summer Saturday, and spread the news that the Fall Program Guide was delivered to homes.
- *DC Ranch Gives*. Throughout June and July, residents collected essential items for Homeward Bound. The Stock the Shelves donation drive collected over 1,400 essential supplies, non-perishable food, and other needed items to support Arizonans experiencing homelessness. The Gives Newsletter was sent to 189 resident email addresses in July and featured upcoming volunteer opportunities, recap of past opportunities, and spotlighted the 2024 Volunteer of the Year recipients.
- *Merchant Engagement.* Merchant stakeholders met for the quarterly Coffee & Commerce meeting in August. Attendees provided roundtable updates and DC Ranch staff provided community announcements about upcoming partnerships and sponsorship opportunities for the fall and nearby construction to foster two-way communication.

Communications

- *Fall Program Guide.* The Fall Program Guide was mailed in August. The publication outlines events and programs in September, October and November. A digital version was uploaded to DCRanch.com.
- *City Council Candidate Forum.* The Chamber of Commerce and Scottsdale Progress had originally scheduled a Scottsdale City Council Candidate Forum in August. When the forum date changed less than a week prior to the original date, the Communications Team swiftly communicated the new date to residents.
- *Text Messaging.* Participation in the text messaging system has grown to over 1,000 phone numbers. The team encourages residents to register to receive important updates during emergencies or neighborhood projects and reminders about meetings and events.
- *DCSIP Communication.* The Communications Team continues to send email updates regarding the project and keep DCRanch.com/DCSIP and other resources up to date. In August, the team kept residents informed during the closure of the playground, courts, and path for reserve projects.
- *ADOT Loop 101 Construction.* The Team keeps residents up to date on the project on overnight and weekend closures that affect access to the community via the freeway and Pima Rd./Princess Dr.

Facilities

• *Community Center.* The Homestead Community Center continues to serve as the hub for residents during the Desert Camp Site Improvement Project (DCSIP). The lobby, veranda and grand hall were busy with 402 resident check-ins.

- Club and card drop-in use picked up as more residents return from summer vacations. July had 66 card player drop ins, while August saw 95.
- The front desk team has been very active, doing hourly walk-throughs and keeping count of indoor and outdoor occupancy. The front desk team counted 1,283 residents throughout the facility, indoor and outdoor, during their hourly capacity counts in July, and 1,450 in all of August.
- The Desert Camp outdoor amenities saw a decrease in usage due to renovation closures throughout August. July had 13 tennis and 27 pickleball court reservations. Before project closures in August, there were 4 tennis and 8 pickleball reservations.
- *Facility Rentals.* The Homestead calendar remains open for rentals and had five facility rentals in July and August.
- *Facility Maintenance and Custodial.* The Maintenance and Custodial team continue to use the DCSIP closure to focus more on deep cleaning and repairs at The Homestead and Gate Houses. Staff continue to work on many reserve projects completed concurrently with DCSIP including one bridge repair, bridge painting, and the completion of the pool furniture frames painting at Desert Camp. Staff reviewed proposals from a variety of vendors and selected a vendor to complete the renovation of the outdoor tennis courts including new fencing, new court entry gate w/access reader hardware, new light fixtures, new shade cover and painting on poles. Compromised trees were removed and a bridge replacement with enhanced lighting feature was completed at Market Street Park.
- *DCSIP.* New construction has roofing and windows installed, exterior EIFS coating has been applied, drywall has started in both the new and existing building. Staff and vendors continue to collaborate on interior furniture, art, millwork, fitness equipment and technology including A/V and access hardware.

Public Affairs

- *City Elections.* Chris Irish, Director of Public Affairs reached out and met with newly elected City Councilwoman Jan Dubauskas, who is a DC Ranch resident. On Sept. 16, DC Ranch partnered with the Chamber of Commerce and Scottsdale Progress to host a City Council Candidate Forum. Only two of the four candidates attended. Audience turnout was good and residents and the public seemed pleased to have the opportunity. The Yes-Yes committee had a table at the event to explain and garner support for Prop 490 and 491. DC Ranch's communication about their support of both propositions had begun.
- *CFD.* Chris and Board Treasurer Elizabeth Kepuraitis will be meeting with the City Auditor to better understand the background data she wants to review costs. Both finance and Ranch Association staff will help with this project, to be submitted to the city in November.
- *Bond Projects near DC Ranch.* The City awarded the construction contract for the Dog Park at Thompson Peak and Hayden. It is unlikely the park will be completed by next summer as planned.
- *State Land.* No state land near DC Ranch is scheduled for auction.
- *Mack Industrial project.* Plant salvage started, grading will be next. Chris informed Mack when parts of their fence came down in a storm. They were quick to fix it. This land is not in DC Ranch.
- *94th Street and Bell Subdivision.* American First Builders has put up fencing and will soon begin plant salvage. This land is not in DC Ranch.

Business Use Policy

OBJECTIVE:

Section 3.2 of the DC Ranch Community Council Amended and Restated Declaration of Covenants and Easements provides the basis for the Community Council Board to adopt, modify and repeal rules governing the access to and the use of the Community Centers. This policy sets forth the rules for homeowners, tenants and commercial property owners utilizing the Community Council shared use amenities including the Community Centers, Market Street Park and the Path and Trail system for private for- profit and/or non-profit business.

Business use of Community Center and shared use amenities:

Requests for use of Community Center and park amenities for business related activities will be reviewed on a case by case basis, but are generally not allowed. The Council reserves the right to disapprove any request at any time with or without cause.

For-Profit and Non-Profit Business

Homeowners, tenants and commercial property owners are not allowed to conduct any for-profit or non-profit business utilizing the Council shared use amenities without prior approval from the properly appointed Community Council representative. This includes and is not limited to personal training, coaching, programs, events, solicitation and other services conducted on council property with the express outcome benefitting the individual or business entity.

For-profit and non-profit businesses may contact the Community Council for prior authorization to conduct for-profit or non-profit business. Businesses will be subject to the Council rental guidelines and associated fees. Space is limited and not guaranteed.
